LICENSE

This dialog to enter your FS-FlightControl license information enables you to activate the product or check how long your test license is still valid.

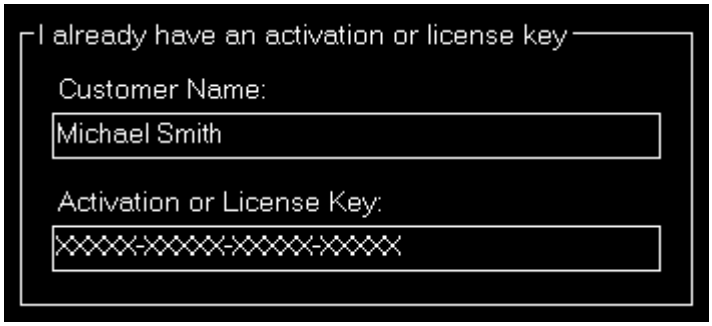

Test License

Here you can see how long your test license is still valid.

Note: You can even still start the program after the test license has expired, but then it will close automatically after 5 minutes.

License Data

After your purchased your license, you can enter your activation data into this section.

Note: If you want to switch your license from one computer to another, just deactivate your license on the old computer in the ***about*** module first.
