AIRCRAFT SUPPORT 1

AIRCRAFT SUPPORT

You may notice a sentence like this in some areas of FS-FlightControl:

> All functions on this module are highly aircraft dependent.
> They may work well with third party aircrafts, too, but we can only guarantee that they work with all default aircrafts of flight simulator.

This restriction arises due to the fact that several third party aircraft vendors do not stick to the default flight simulator access function, but using their own propritary techniques to
