[Input Field]

Order Your License Now

Start Program **Exit Program**

Use this dialog to enter your FS-FlightControl license information and activate the product or check how long your test license is still valid.

Test License

Use free 14 days test license
Remaining: **11 days**

Here you can see how long your test license is still valid.

 **Note:** You can even still start the program after the test license has expired, but then it will close automatically after 5 minutes.

License Data

I already have an activation or license key

Customer Name:

Activation or License Key:

After your purchased your license, you can enter your activation data into this section.

 Note: If you want to switch your license from one computer to another, just deactivate your license on the old computer in the **Info** module first.
