## ABOUT

Directly send us a message also include log files in case of program issues.

You can also deactivate your license here if you want to use it on another computer.

## Contact Form

If you have any questions regarding the program or even a new idea, please do not hesitate to contact us!

You can directly use this contact form integrated into FS-FlightControl itself.

In case you should have found an issue you want to report please make sure to keep the checkbox `Include Logfiles` checked. This way we receive your log data together with your message and can better analyze a possible problem.

## License Information

Below the contact form some information about your license is displayed.

You can use the button `Deactivate License on this Computer` to move your license to another computer. In this case please deactivate your license on the old computer first before activating it on the new one again.

 **Note:** We also recommend to deactivate the license in advance if you plan to completely reinstall Windows on the same computer.

## Copyright Notes

At the bottom some copyright notes are displayed.

In the bottom right you will additionally find the link `Show Change Log` that shows the program change log.

## Change Log

Here the change log of FS-FlightControl is displayed.
