This dialog to enter your FS-FlightControl license information enables you to activate the product or check how long your test license is still valid.

## Test License

Here you can see how long your test license is still valid.

 **Note:** You can even still start the program after the test license has expired, but then it will close automatically after 5 minutes.

## License Data

I already have an activation or license key

Customer Name:  
Michael Smith

Activation or License Key:  
XXXXXXXX-XXXX-XXXX-XXXX

After your purchased your license, you can enter your activation data into this section.

 Note: If you want to switch your license from one computer to another, just deactivate your license on the old computer in the [about](#) module first.
