Info

Directly send us a message also include log files in case of program issues.

You can also deactivate your license here if you want to use it on another computer.

Contact Form

You have a question or miss a special feature?
We are looking forward to your comments and ideas!

Subject*:

First Name: Last Name:

E-mail*: Phone:

Message* (fields marked with * are required)

Include Logfiles

If you have any questions regarding the program or even a new idea, please do not hesitate to contact us!

You can directly use this contact form integrated into FS-FlightControl itself.

In case you should have found an issue you want to report please make sure to keep the checkbox `Include Logfiles` checked. This way we receive your log data together with your message and can better analyze a possible problem.

License Information

This is a home license for non-commercial use only.
Program licensed to: Andreas Breitschopp

Below the contact form some information about your license is displayed.

You can use the button **Deactivate License** on this Computer to move your license to another computer. In this case please deactivate your license on the old computer first before activating it on the new one again.

 **Note:** We also recommend to deactivate the license in advance if you plan to completely reinstall Windows on the same computer.
